

Dear Fancier

The Dinokeng 2014 season is well on its way!

We hereby invite you to become part of this exciting season! If your pigeons are already in the Loft, thank you! We appreciate the loyalty and goodwill of our past participants. Many have been involved from the beginning in 2011. This is our fourth season and we have now been established as a serious and reputable One Loft Race in South Africa.

The previous few months we have invited some prominent entrants and fanciers to meet with us all over South Africa. We had feedback meetings with these groups and spent hours to listen to their praise, concerns and suggestions.

After these consultations we gave due consideration and have adjusted our competitions and prize money payouts accordingly. We are excited about the new format and believe it will be the way forward for all of us!

Our prize money payouts are now guaranteed on a certain number of paid entries.

Our first prize of R500 000.00 stays the same even if our paid entries are lower. (from 600- 400 paid entries, see brosjure)

More significant prizes for the first 10 fanciers. R500 000.00 to R30 000.00

More overall prizes - 133

A Car to be won as the Ace Bird competition first prize.

Click on Home Page for the 2014 brochure: 2014 BROCHURE . Read this carefully as there are some exciting changes.

Of importance also is the club competition whereby the clubs have an additional competition that they can compete in. Your club's main paid entry pigeon will qualify not only for the club competition, but also to win any prize money in all the other competitions including the main race. Clubs can now also enter their reserves for the club competition.

If at all possible, we recommend that you send your pigeons early into the loft. This gives them more time to home and get settled.

It could be that you may send the 2014 winner to our one loft race!

Look out for our NEW EXITING "FOUR IN ONE COMPETITION" !!

Should you have any queries or questions, please do not hesitate to contact us.
