

DINOKENG LOFTS – NUUSBRIEF/NEWSLETTER – MEI/MAY 2018

Goeie dag aan al ons deelnemers graag deel ons die volgende inligting met julle:

- 2017/18 Is een van die beste seisoene wat die gesondheid van die duive betref. Ek wil almal wat moeite gedoen het om hul babas se imunitet te verhoog voordat hulle die duive gestuur het bedank. Dit kan duidelik gesien word in die groot hoeveelheid deelnemers wat nogsteeds al hulle duive of feitlik almal in die hok het. Dit gaan julle kanse aansienlik versterk.
- 2017/18 het gesorg vir 'n rekord inname. As ek die vervangings duive uitsluit het ons net meer as 'n 1000 duive ingekry, ek glo dit gaan help dat ons vir die eerste keer meer as 500 betaalde inskrywings gaan kry. Baie dankie aan almal vir julle ondersteuning ek hoop julle duive gaan vir julle groot vreugde bring.
- Die kwaliteit van die duive is baie hoog. Die duive is baie mooi en gesond en hulle oefen baie goed. Die kompetisie gaan van hoogstaande kwaliteit wees hierdie jaar, duive wat goed presteer gaan kampioen duive wees.
- **“Entry” duive moet genomineer word en name moet gegee word voor 31 Mei**, anders moet ons dit doen.
- Gee asb. vir ons julle **stambome** so gou as moontlik vir plasing op ons webblad. Dit kan sorg vir beter pryse op die veilings wat 'n manier is om jou kostes te verminder of selfs sorg vir 'n wins.
- Nuutste hoklys (24-04-2018) op ons webtuiste beskikbaar www.dinokenglofts.co.za, klik op die groot geel “Button **RACE RESULTS**” op ons tuisblad, gaan dan na “Training”.
- Vir ons **Oefen en Wedvlug Program** klik op die “Training Button” op ons Tuisblad.
- **“Perch fees” en “Entry fees”** was alreeds betaalbaar gewees op **31 Maart**. Indien jou duive nie op datum betaal is nie sal jou duive nie wys by die oefen en wedvlugte nie.
- Die **Four-In-One Kompetisie** se nominasies en betaling **sluit die Donderdag voor die 1ste wedvlug – 5 Julie 2018**.
- Vir besonderhede van al ons kompetisies druk op die Brosjyre knoppie op ons tuisblad.
- Afrigting het in alle erns begin en **niemand sal toegelaat word om hulle duive te hanteer of toegang tot die hokke te kry nie**. Enigiemand is egter welkom om te kom help by die mandjie van wedvlugte.

Good day to all our participants we are pleased to share the following information with you:

- 2017/18 is one of the best seasons where the health of the pigeons is concerned. I would like to thank everyone who made it a priority to increase the immunity of their pigeons. This

becomes obvious as the majority of participants still have all their pigeons in the loft. This will increase your chances significantly.

- 2017/18 has shown a record intake. If I exclude the replacement birds we have an intake of just over 1000 pigeons. I believe that this will ensure that for the first time, we will achieve in excess of 500 paid entries. Thank you all for your support, I hope your pigeons will bring you great joy.
- The quality of the pigeons is very high. The pigeons are nice and healthy and are training very well. The competition is of a high standard this year, the pigeons that excel will be champion birds.
- **Your entered pigeon must be nominated by 31 May** they must also be named by that date, otherwise we will allocate.
- Please supply the **pedigrees** to be posted on our web page ASAP. It can result in better prices at the auctions which can reduce your costs or even provide a profit.
