I am happy to report the following:

- The pigeons are in excellent condition with silky soft feathers, supple breast muscles, snow white wattles and a healthy throat colour.
- The pigeons are flying well and training tosses will commence soon.

- The first official training flight is scheduled for 19th June and the results will be displayed on the internet. **NB:-** The first race will take place one month later on Sunday 19th July 2015 and the final race is scheduled for Sunday, 6th September 2015. Please refer to the *training and race program* on our website www.dinokenglofts.co.za
- Please check the most recent *scan list* under *current entries* on our website www.dinokenglofts.co.za to see if your pigeons are still in the loft.
 - We had an initial entry of 822 pigeons and currently 775 are accounted for. The relevant entrants have been informed if their pigeons have died. If your pigeon does not appear on the most recent list it has become lost during training around the loft. This could be due to various reasons.
 - Attach statistics of the last 4 years.
 - **REMINDER!**
- 1. If you are considering to activate any reserve pigeons it is advisable to do so before the first race as this is when the calculation for the ACE BIRD competition starts. The subsequent three races determines the winners in the SUPER TURBO RACES. Only paid pigeons can compete for prize money, you forfeit taking part in competitions until the date your birds entry fee has been paid.
- 2. The FOUR-IN-ONE COMPETITION also starts as from the first race. The cost is an additional R200.00/pigeon entry fee, to compete in all four competitions. Non activated reserves can also participate. An entrant can have a maximum of three pigeons in a team. An entrant can however have more than one team.
- 3. All of the above information is available on our website www.dinokenglofts.co.za. **NB:-** Please assign your pigeons ranking viz. Entered pigeon, 1st Reserve, 2nd Reserve a.s.a.p. to register@dinokenglofts.co.za . Pigeons not specified by 31/05/2015 will be assigned pro-rata with no further option to change.
- 4. Please name your pigeons, name and ring number can be sent to register@dinokenglofts.co.za
- 5. Pay your entries timeously to avoid disappointment.
- 6. Please submit your pigeon's pedigrees.

Please do not hesitate to contact me should you have any queries on cell: 082 872 4826. May all of us enjoy a satisfactory pigeon season.

Pigeon Greetings
