

NUUSBRIEF/NEWSLETTER JULY 2018

- Die 2018 seisoen het op `n baie goeie noot afgeskop, op `n koue bewolkte reënerige dag met `n ooste wind. Die duiwe het baie goed vanaf Ventersburg – 304km gekom. Daar was oor die 600 duiwe binne 30 minute terug en 715 duiwe terug in 1½ uur.
- Duiwe is in `n baie goeie kondisie, vere is sag, neusvratte spierwit, neusgate lyk of hulle gepoleer is en hulle oefen baie goed.
- Die wedvlugte is nou hier en ek dink die wedywering gaan iets ysliks wees.
- Baie geluk aan almal wie se duiwe alreeds presteer het en sterkte aan almal vir die wedvlugte wat voorlê.
- **Onthou – reserwe duiwe kan nie prysgeld wen nie.**
- Almal is welkom om te kom kyk hoe die duiwe op die wedvlugte kom. Braaivleisvure sal reg wees. Bring jou kampstoel, piekniek mandjie, vleisie, pool gelde en geniet die dag saam by Dinokeng.
- Stuur asb. vir ons julle duiwe se “pedigrees” vir plasing op ons weblad. Julle kan gerus gaan kyk na die pedigrees wat alreeds geplaas is.
- Ons kort nog 30 geaktiveerde duiwe om ons mikpunt van 500 betaalde duiwe te haal. Indien ons dit bereik sal ons 1ste prys op ons Hoof wedvlug R300 000.00 wees.
- Ons het `n siekeboeg op ons webblad www.dinokenglofts.co.za waar al die duiwe met skete en probleme aangedui word. As jou duif nie gemandjie word nie, kyk of hy dalk in die siekeboeg is. Ons dui kortliks aan wat die probleem is.
- Al die uitslae van kompetisies verskyn binne 2 tot 3 dae op ons webblad. Uitslae word ok na afloop van `n wedvlug na al die deelnemers ge-epos.
- Indien jy nie die uitslae per e-pos, of ons sms`e wat ons elke Sondag uitstuur ontvang nie, laat weet ons asb. sodat ons die probleem kan oplos.
- Vir al die uitslae, kompetisies, reëls, oefenprogram ens. besoek ons webblad www.dinokenglofts.co.za
- Voel welkom om ons enige tyd te skakel as iets onduidelik is of vir enige navrae.

- The 2018 season got off to a good start with an easterly wind on a cold and rainy day. We had good returns from Ventersburg- 304km. More than 600 birds returned within 30 minutes and 715 within 1½ hours
- The pigeons are in excellent condition, with soft feathers, white wattles, their beaks look polished and they are training well.
- With races about to commence the rivalry is going to be huge.
- Congratulations to the participants who have already achieved and best wishes to everyone for the racing that lies ahead.
- ***Reminder- reserve birds cannot win prize money***
- Everyone is welcome in joining us to wait for the arrival of the pigeons. Bring your camping chair, picnic basket, braai meat, pool money and enjoy the day at Dinokeng
- Please send us your pigeon's pedigree to be displayed on our website. It is worth looking at the ones already posted.
- We still require 30 activated pigeons to reach our target of 500 paid entries. If this is achieved the first prize for our Main race will be R300 000.00.
- We have a sick bay on our website www.dinokenglofts.co.za where all the ailing birds are displayed. If your pigeon is not basketed, check the sick bay, which we update regularly.
- All the results of the competitions are displayed on our website within 2 to 3 days. Results are also e-mailed to our entrants.
- Should you not receive these results via e-mail or the sms's we send on Sundays, please inform us so we can rectify the situation.
- For all results; competitions; training programme; rules etc. please visit our website www.dinokenglofts.co.za
- Please feel free to contact us anytime you are uncertain of something or have an enquiry.
